9.9. Upon delivery, the Authority shall provide the Supplier with written confirmation of receipt and acceptance of the Products/Items, it being clarified that such written acceptance does not constitute a waiver on the part of the Authority or an acknowledgement by the Authority of the quality of such Products/Items, and does not derogate from any of the Supplier's obligations as detailed herein, including without limitation, with respect to warranty.

10. INSPECTION AND ACCEPTANCE OF PRODUCTS/ITEMS:

10.1. The Supplier shall get the Products/Items inspected by a competent authority and also provide a guarantee / warranty certificate that the Products/Items conforms to all the Technical Specifications and this Agreement.

10.2. The Authority, in its sole discretion, shall have the right (but not the obligation) to have any or all of the Products/Items, prior to dispatch from the manufacturer's premises / on site, inspected in order to ensure that such Products/Items are satisfactory and in compliance with this Agreement and the Technical Specifications. Such inspection and clearance will not prejudice the right of the Authority to inspect and test the Products/Items on receipt at the location/site designated by the Authority. The Authority shall also be entitled to conduct such inspections/tests that it deems fit and necessary on the Products/Items, to ensure their compliance with the Technical Specifications.

10.3. If an inspection, conducted by the Authority after their receipt at the location/site, reveals that any item of Products/Items does not comply with the Technical Specifications or if any of the materials or components is discovered to be defective or inferior in quality, the Authority may reject the said Products/Items. Upon such rejection, the Supplier shall, at no cost to the Authority, rectify the defect or replace the defective Products/Items to the satisfaction of the Authority, as the case maybe.

10.4. The Supplier shall be solely responsible for removing the defective Products/Items from the location/site of the Authority and the costs incurred in relation to the same.

10.5. If the Authority finds the inspected Products/Items to be satisfactory and in compliance with the relevant standards provided in this Agreement and the Technical Specifications, the Authority shall accept such Products/Items, in the form provided in the Appendix-D, and notify Supplier of the same, only to the extent of such number of Products/Items that are in conformity with the Technical Specifications and without prejudice to the rights available to the Authority in respect of seeking replacement or rectification of defective Products/Items at no extra cost.

10.6. The Supplier, at its own cost, shall arrange, secure, and maintain all insurance policies required by law and reasonably necessary to protect its interests and the interests of the Authority against all risks related to the storage, handling, transportation, and supply of the Products/Items. All such insurance coverage shall be in the name of the Authority; provided,

however, that the Supplier shall be authorized to liaise directly with the insurance company for matters relating to the policy.

10.7. Without limiting or derogating from any of the Supplier's responsibilities or liabilities under this Agreement or under any applicable law, the Supplier shall, at its own expense, maintain in the name of the Authority, at all times and for as long as any liability under this Agreement may exist, an insurance policy covering all risks associated with the storage, handling, transportation, and supply of the Products/Items. Such insurance shall be in accordance with the Conditions of Contract set forth in Appendix-A.

10.8. The Supplier shall refrain from cancelling the insurance policy and/or from decreasing its scope. The Supplier further undertakes to notify the Authority of any situation of cancellation and/or expiration of the insurance policy specified in this section, sixty (60) days before the date of occurrence of such situation.

10.9. The Supplier waives and shall have no claims or demands of any kind against the Authority and/or anyone on its behalf, with respect to the content and/or extent and/or coverage of the insurance policy required to be purchased by it under this section, and the Supplier hereby confirms that it shall be prevented from raising any such claim or demand. For the avoidance of doubt, it is agreed that the insurance policy required to be purchased under this section, including the limits specified herein, are stated as a minimal demand from the Supplier. The Supplier is encouraged to further scrutinize its exposure to liability and to add and/or increase the types and scope of insurance coverage.

10.10 The Supplier undertakes to indemnify Authority for any amount incurred by the Authority as a result of a violation by the Supplier (and/or any person or entity acting on its behalf) of any of the conditions of its insurance policy.

10.11 It is hereby clarified and agreed that all the insurance policy required in accordance with this Agreement shall be procured at the Supplier's expense and that under no circumstances shall the duty to procure such incur expenses and/or any duty for payment on the Authority. It is also clarified and agreed that the liability for the payment of the insurance deductible applies to the Supplier only and under no circumstances to the Authority.

10.12 It is hereby clarified and agreed that all the insurance policy required in accordance with this Agreement shall be procured at the Supplier's expense and that under no circumstances shall the duty to procure such incur expenses and/or any duty for payment on the Authority. It is also clarified and agreed that the liability for the payment of the insurance deductible applies to the Supplier only and under no circumstances to the Authority.

10.13 As a condition precedent to the first payment under this Agreement, Supplier shall furnish a certificate from its insurers stating:
"*The insurance required by Agreement between Authority and Supplier is in full force and effect*".

10.14 Without derogating from the duty to provide the insurance certificates as detailed above, The Supplier undertakes to provide the Authority with a copy of all of its insurance policy, within fourteen (14) days of the Authority's first request

11 INCIDENTAL SERVICES:

11.1 The Supplier is required to provide the following additional services, if any, at no additional cost to the Authority:

23.2 In the event of occurrence of a Force Majeure event, notwithstanding anything to the contrary contained herein, the Party shall be excused from performance of their obligations under this Agreement, during the occurrence of Force Majeure Event. If the Force Majeure Event continuous for a period of [30] days, the Parties shall have the right to terminate this Agreement forthwith by way of a written notice.

24 MISCELLANEOUS:

24.1 **Announcements**
Neither Party will use the other Party's name or marks or refer to or identify the other party in any advertising or publicity releases, or promotional or marketing correspondence to others, without such Party's written approval.

24.2 **Waiver**
The failure of either Party at any time to require performance by the other party of any provision hereof shall in no way affect the full right to require such performance at any time thereafter. Nor shall the waiver by either party of a breach of any provision hereof be a waiver of any succeeding breach of the same or any other such provisions or be a waiver of the provision itself.

24.3 **Notice**
Any notice given hereunder shall be in writing, in the English language, and shall be effective upon delivery to a Party via courier, overnight delivery service, or certified mail at the address set forth herein or at such other address as may be designated in writing by a Party hereto.

24.4 **Assignment**
The Supplier shall not assign this Agreement or any of its rights and obligations hereunder, without the prior written consent of the Authority and any such attempted assignment shall be null and void.

24.5 **Severability**
Any provision of this Agreement which is prohibited, unenforceable or is declared or found to be illegal, unenforceable or void in any jurisdiction shall as to such jurisdiction be ineffective only to the extent of such prohibition or unenforceability without invalidating the remainder of such provision or the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. If any such invalidity substantially affects or alters the basis of this Agreement, the Parties shall negotiate in good faith to amend and modify the provisions and terms of this Agreement as may be necessary or desirable in the circumstances to achieve as closely as possible the same effect as the original provisions and terms of this Agreement.

24.6 **Injunctive Relief**
It is understood and agreed that a breach of any of the provisions of this Agreement will cause the Authority irreparable injury and damage hence the Authority shall be entitled to injunctive or other equitable relief against the Supplier to prevent a breach of this Agreement.

24.7 **Amendments**
Any change, alteration, amendment, or modification to this Agreement must be in writing and signed by authorized representatives of both the Parties.

24.8 **Entire Agreement**
This Agreement and the Annexures, Appendices thereto shall (upon its execution) constitute the entire agreement between the Authority and the Supplier with respect to the supply of Products/Items and shall supersede any other prior oral or written communications, representations or statements with respect to the transaction contemplated in therein. This Agreement may not be modified, altered or amended in any manner except by an agreement in writing executed by the Parties. If a court holds any provision of this Deed to be invalid,

the remainder of this Deed will be valid, enforceable and effective to the extent to which such remainder is workable and represents substantially the essence of the agreement between the Parties.

24.9 **Counterparts**

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties hereto have hereunder set and subscribed their respective hand and seal on the day and year first hereinabove written.
